FULL PAYMENT IS DUE UPON DELIVERY. NO DEDUCTION FROM FULL PAYMENT IS ALLOWED FOR DAMAGE OR LOSS. The service you are paying for includes any claims allowed under the terms of this contract. **FAILURE TO PAY** in full shall void our liability for further service (claims) until such payment is made.

Any **DAMAGE** clearly due to the negligence of the movers will be repaired, replaced, or compensated for within the limits of the customers declared or released valuation, after this office has been notified and examined the claim. **REPAIR OR REPLACEMENT** of damaged items shall be performed by the carrier or the carrier's agents. Repair or replacement undertaken without the carrier's approval shall void the carrier's liability.

LIMITATIONS OF LIABILITY. No liability shall be provided for:

1. Damage to items which the shipper **REFUSES TO RELEASE** to the carrier for repair, or for any damage which the shipper does not allow the carrier or its agents to examine.
2. Damage to exterior steps or walkways unable to withstand the stress normal to moving.
3. Items placed or rearranged in storage, or handled during the move, by anyone other than the carrier.
4. Damage caused by an **act of God**, such as an earthquake or flood, or water damage if the shipper chooses to move in the rain.
5. The mechanisms or alignment of **file cabinets** which are not emptied prior to their transport, or for expenses resulting from a lack of a key.
6. The loss of handles, trim, ornaments, keys, or other items which fall off during the course of a move.
7. **MISSING ITEMS**, or items left behind, unless listed in an inventory prepared by the carrier, or observed by the carriers agents. It is the shipper's responsibility to see that nothing he or she wants moved is left behind.
8. Plants or terra cotta.
9. Damaged items whose repair requires parts which are not available.
10. Any items packed by someone other than the carrier.
11. Items which by their nature require special boxes or crates, such as marble, sculpture and statuary, and large ceramics, unless the carrier has been alerted to these items at least 1 week prior to the move.
12. Damage to elevator walls for which no protection was provided.
13. Cost or inconvenience caused by **UNAVOIDABLE DELAYS**, such as may result from injury or breakdown.
